Supply List Summer 2010

BRUSHES

(Silver Brush brand is recommended)

Bristle Filbert # 2 (at least 3)

Bristle Filbert #4 (at least 5)

PALETTE AND RAGS

Large palette (18" x 20" or larger)

Viva Paper Towels (at least 4 rolls) – Viva is a Kleenex brand, and is recommended.

THINNER

Odorless mineral spirits in container with lid

MEDIUM

2/3-part Stand Oil (Gamblin)

1/3-part odorless mineral spirits ODORLESS SPIRITS ARE REQUIRED.

OPTIONAL

A baseball cap, visor or hat with a brim can prove useful to reduce glare.

CANVAS OR PANEL

Acrylic primed and toned grounds are recommended. Bring at least six 16" x 20" or 12" x 16" canvases as well as two 16" x 20" linen or acrylic primed higher-quality canvases. All canvases must be toned in advance. Cotton, linen and Masonite (Gesso board) are all acceptable.

CANVAS TONING PROCESS:

On pre-stretched, pre-primed canvas, use a brush to apply one to two coats of Golden Acrylic N6 Neutral Gray paint diluted with water. The mixture ratio is approximately two parts water to one part paint. To apply the tone, first cover the entire surface of the canvas with the mixture using a 2 or 3-inch wide brush. When the surface is completely covered, ensure the paint surface is smooth by lightly dragging the brush through the paint from one edge to the other across the entire surface. The finished canvas should have a uniform smooth gray finish. If the first coat does not cover sufficiently, apply a second coat. Do not apply the paint too thick because it reduces the canvas absorbency and makes it more difficult to apply the paint evenly.

WOODEN PALETTE

Bring a large wooden palette treated to prevent paint absorption from the oil from the paints. To treat, apply a coat of regular or quick-dry polyurethane. Let dry, sand lightly. Apply additional coats if needed.

OIL COLORS

Alizarin Crimson Permanent

Burnt Sienna (Winsor & Newton)

Burnt Sienna
